

## Dress Rehearsal Tentative Lineup

**\*Please Note** that call time is the arrival time. This does not indicate where we are at in rehearsal. Many times we fall behind which is typical in a technical/dress rehearsal. Please be patient with us as we build this beautiful show. We might go out of order. Please help us by staying quiet and ready to jump onstage as needed. Thank you!

**\*Dances marked in red** must be in their places in the wings as this is a continuous scene. Make sure all quick change costumes are placed.
